Paved Road Will Be Kept Open During Winter

The paved state highway through Salt Lake and Utah counties will be kept open all winter. Both counties have joined in the cost of erecting a series of snow fences in the region of the Jordan Narrows to prevent the heavy drifts at this point from covering the road this winter and making it impossible to keep the paved road open. Fences will be built on the east side of the road beginning at the ascent to the point of the mountain in Salt Lake county and extending down the opposite side into Utah county.

Great Advance Interest In Big Selznick Picture

"Reported Missing," Starring Owen Moore, Eagerly Awaited Locally.

Hailed as a hurricane of melodramatic comedy, the showing of "Reported Missing," at the Royal-National Theatres, Friday and Saturday this week is eagerly anticipated by picture fans who like their picture full of thrills, romance and laughter. Owen Moore is starred in this production which deals with the attempt of a Far Eastern capitalist to obtain possession of a huge fleet of ships owned by an American shipping company.

The high lights of the picture are a race between a hydroplane and a hydroaeroplane, a shipwreck, a rough and tumble fight in the villain's house, a series of comedy scenes made only as Henry Lehrman, master of laughter, knows how to make them, and the gowns worn by the statuesque Nita Naldi and the flapper like Pauline Garon.

"Reported Missing" is a moving picture that moves every minute. It is crowded full of action and excitement. It assays a real, honest to goodness laugh a minute. It is one of those amusement mediums which lift people from the dull drab of everyday existence into a world of laughter and romance.

Tom Wilson, as a valet, gives the comedy performance of his career. The scenes in which he attempts to wreak vengeance on a group of Oriental schemers operating against his master are masterpieces of comedy. Tom surely wields a wicked razor. He could trim the Three Musketeers weapon in front of their faces, advantage handed by just shaking

Renewed Testimony

No one in Lehi who suffers backache, headaches, or distressing urinary ills can afford to ignore this Lehi woman's twice-told story. It is confirmed testimony that no Lehi resident can doubt.

Mrs. Alice J. Tuckfield, Corner 3rd West and 1st North Street, says: "I have used Doan's Kidney Pills in the past and they have never failed to give the desired results. When I have backache and dizzy spells and when my kidneys are inactive, I usually use Doan's Kidney Pills and they never fail to stop the pain quickly and strengthen my kidneys."

The above testimony was given March 23, 1917, and on October 16, 1922, Mrs. Tuckfield added: "I have had no further occasion to use Doan's Kidney Pills because they have cured me of kidney trouble and the cure has remained permanent. I am glad to confirm my former statement."
